

## **Sequence 9 Designs, LLC Privacy Policy**

This privacy policy covers Sequence 9 Designs, LLC's practices and policies utilized in all websites and applications (mobile and desktop). These policies are subject to change at any time without notice.

### **Data Collection and Use**

Sequence 9 Designs, LLC does not collect or store any personally identifiable information from any website visitors or application. This applies to any and all computer-based applications as well as mobile applications.

### **Online Tracking/Do Not Track**

No personal data is collected or stored in any way via any Sequence 9 Designs, LLC website or application.

### **Effective Date**

This privacy policy is effective January 1<sup>st</sup>, 2012.

### **Ad Serving Technologies**

Sequence 9 Designs, LLC utilizes Google's AdMob service to serve advertisements (ads) through its applications. Sequence 9 Designs, LLC is not responsible for any data collected or utilized by Google's AdMob service.

### **Analytics**

No analytical data is collected or stored in any way via any Sequence 9 Designs, LLC website or application.

### **Personal Data Handling**

No personal data is collected or handled in any way via any Sequence 9 Designs, LLC website or application.

### **Data Retention**

No personally identifiable information or data is obtained or stored in any way. The only data retained on any device is preference data such as a user selecting that they have read and understand the risks of using an application or understand that an application is only meant for entertainment.

### **Cookies and Location Tracking**

No cookies or location tracking is used in any way via any Sequence 9 Designs, LLC website or application.

### **Data Obtained by Third Parties**

Since Sequence 9 Designs, LLC utilizes industry standard ad serving companies, data obtained by these companies or their affiliates is outside of the control of Sequence 9 Designs, LLC, and Sequence 9 Designs, LLC is not liable for the handling of this data.
